This is a text in second frame. For the sake of showing an example.

- Text visible on slide 1
- Text visible on slide 2
- Text visible on slide 3

Alternate transition

In this slide

Alternate transition

In this slide the text will be partially visible

Alternate transition

In this slide the text will be partially visible And finally everything will be there

Highlighting

In this slide, some important text will be **highlighted** because it's important. Please, don't abuse it.

Remark

Sample text

Important theorem

Sample text in red box

Example

Sample text in green box. "Examples" is fixed as block title.

Two-column slide

This is a text in first column.

$$E = mc^2$$

- First item
- Second item

This text will be in the second column and on a second thought this is a nice looking layout in some cases.
